

Coaching & Mentoring Services

Career Coaching

Build a Career You Don't Want to Retire From

Whether you're just beginning your career or preparing for your next executive role, Dennis helps professionals navigate change with confidence.

Services include:

- Career strategy and planning
- Executive career transitions
- Leadership readiness
- Personal branding
- Resume and LinkedIn optimization
- Executive interview coaching
- Promotion preparation
- Career reinvention
- Navigating organizational change

Executive Leadership Coaching

Lead With Confidence. Inspire With Purpose.

Great leaders aren't born—they're developed through experience, reflection, and intentional growth.

Executive coaching focuses on helping leaders:

- Build executive presence
- Improve communication
- Lead organizational transformation
- Develop high-performing teams
- Navigate difficult conversations
- Strengthen emotional intelligence
- Build resilient leadership
- Lead through uncertainty
- Create lasting organizational impact

Keynote Speaker Coaching

Turn Your Story Into Your Signature Talk

Everyone has a story.

Few know how to transform it into a keynote that moves audiences.

Dennis works with executives, entrepreneurs, veterans, authors, educators, and emerging thought leaders to develop compelling presentations that educate, inspire, and leave lasting impressions.

Whether you're preparing for your first presentation or building a professional speaking business, you'll learn how to:

- Discover your signature message
- Build memorable keynote presentations
- Structure compelling stories
- Speak with confidence
- Develop stage presence
- Create audience engagement
- Position yourself as a thought leader
- Build a sustainable speaking brand

Author Mentoring

Every Great Book Begins With One Conversation

Many people dream about writing a book.
Few ever finish one.

Dennis mentors aspiring authors through the process of transforming ideas, experiences, and expertise into meaningful books that inspire others while establishing credibility and expanding professional influence.

Support includes:

- Book concept development
- Message refinement
- Chapter planning
- Story architecture
- Publishing strategy
- Author branding
- Book launch preparation

Why Clients Choose Dennis

Clients don't choose Dennis simply because of his résumé.

They choose him because he has successfully reinvented himself multiple times.

From the Navy to nuclear power.

From technology to executive leadership.

From higher education to Fortune 500 consulting.

From personal tragedy to purpose-driven leadership.

From executive boardrooms to keynote stages.

He understands that the next chapter of your life isn't built by repeating the last one.

It's built by becoming the next version of yourself.
